Example (four kids)

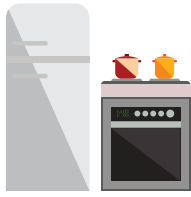

Split house into four jobs...

1. Two Bathrooms
2. Toy and Family Room
3. Front and Dining Room
4. Kitchen and Floors

Kids are required to clean their own room as well every day. Monday is scrub, wipe, sweep, mop, and vacuum day. On the other days, if it looks clean, kids only need to look and make sure it's kept up. If something has spilled or been left out, take a few minutes to clean it up.
